RE: Judicial Appointment to the *Cour du Québec –
Chambre criminelle et pénale*

Your Ladyship:

As President of the Lord Reading Law Society, I take the greatest pleasure in congratulating you on the occasion of your appointment to the Bench of the *Cour du Québec – Chambre criminelle et pénale*. Undoubtedly, by virtue of this appointment, the ranks of the Bench of the *Cour du Québec* have been greatly strengthened.

Your career as a Crown Prosecutor was a most distinguished one indeed, and will certainly serve to guide you in your new career on the Bench. I also recall some years ago that you addressed our Society before an overflow audience.

We wish you the full measure of health, energy and wisdom which you will no doubt need to face the “challenges on the other side of the bar”.

Once again, congratulations and félicitations!

Irwin Rudick
President
