Dear Friends,

I am pleased to extend my warmest greetings to all the members of the Lord Reading Law Society on the occasion of your 75th Anniversary.

The Lord Reading Law Society has become the premier group representing Quebec's Jewish jurists since its founding in 1948, building upon the deep-rooted Jewish community traditions of education, debate, and dedication to the expansion of fundamental freedoms and human rights.

I am always honoured to attend Lord Reading Law Society events, and have had the privilege to do so on several occasions. The list of world-class keynote speakers who have appeared at various events over the decades is extremely impressive, and is a testament to the Society's reputation for excellence. The Lord Reading Law Society has consistently advocated for a Quebec that upholds its democratic principles, thank you for taking on such vital issues before the courts.

Please accept my congratulations on your 75th Anniversary. I am pleased to celebrate this milestone with you, and I look forward to attending many more Lord Reading Law Society events in the coming years.

Sincerely,

Elisabeth Prass

Member of the National Assembly for D'Arcy-McGee
